

## We are thrilled

to bring you the latest updates from our recent General Assembly Meeting held at Harokopio University of Athens.

### THE MEETING WAS A SUCCESS, FILLED WITH PRODUCTIVE DISCUSSIONS AND EXCITING DEVELOPMENTS:

**1.** Our partners from various sectors came together to share their expertise, insights, and innovative approaches towards achieving sustainable & eco-friendly mobility solutions.

**2.** We had the privilege of hosting renowned experts, both virtually and in-person, who shared their valuable insights and updated us on the progress of the WPs.

**3.** Our partners presented their initiatives, demonstrating their commitment to creating a greener and more sustainable future.

**4.** The General Assembly Meeting offered excellent networking opportunities, enabling fruitful connections.

**5.** Next Steps: We are excited to implement the valuable insights gained and work towards our shared vision of sustainable transportation for all.

We discussed the external project AI4SCM, emphasizing its synergy with EcoMobility, aiming to identify common areas and explore ways to further enhance this synergy, particularly in relation to supply chains.

### The discussions

held during the parallel sessions were highly productive, resulting in significant outcomes that will contribute to the ongoing progress of the project. Moving forward, the established synergy will continue to shape the future steps and direction of both initiatives.

## STAY TUNED

FOR UPCOMING EVENTS, WORKSHOPS AND EXCITING PROJECT UPDATES AS WE CONTINUE TO MAKE STRIDES IN THE ECOMOBILITY LANDSCAPE.
